CEHISEAN

BUILDING BLOCKS TOWARDS THE FUTURE

Throughout the past year many changes have taken place at Central. Physical, social, and educational changes have contributed to the learning atmosphere of the school.

In the fall of the year, returning students noticed the improvements made throughout the school. The remodeling of the building was the most obvious difference. Changes such as this all added to the learning process of education.

As the year progressed, social changes were also evident. Students witnessed differences in the relationships among themselves and with the faculty. Because of the definite need for educational improvements, policy and curriculum changes were introduced. These new operations added to the fulfillment of a complete education.

The changes that took place at Central High School were steps in preparing students for the problems they will encounter in their future lives. In the 1969 CEHISEAN we have tried to portray the past year in a way that would capture the idea of building, for these events are all "BUILDING BLOCKS TOWARDS THE FUTURE."

Class History

In the fall of 1968, 526 seniors came to Central with many new duties and opportunities awaiting them. Among those duties were the preparations for the Homecoming and Sno Daze activities. They chose Debbie Hoffman as President; Jeff Janish and Charles Frelix as Vice-Presidents; Denise Chamblee as Secretary; and Lettie Finney as Treasurer.

In March, the seniors went on their long awaited annual class trip. They flew by jet to New York and were bussed to Washington. Everyone who went agreed that it was a worthwhile trip and an unforgettable experience.

In May, the seniors were the guests of honor at the Junior-Senior Prom. Later that month was a planned picnic for all seniors called "Senior Day."

Their final farewell to their high school days at Central was graduation day. Parents, faculty, and friends came to the St. Paul Auditorium to view the ceremony.

Sophomores Elect New Sweetheart for 1968

In preparation for the upcoming crowning of Sophomore Sweetheart, Penny Savellano and Marty Hovde decorate the throne.

On February 14, 1968, a new Sophomore Sweetheart was selected, her name being Wanda Coburn. With Patty Nelson and Charlotte Hunter as her attendants, the court was complete. Other candidates included Carol Root, Sue Helme, and Renee Godbout. Those who attended, assembled in the gym after school where they were entertained by the music of Connoisseurs of Soul.

Sophomore Sweetheart of 1967, Pam McLean, acknowledges Wanda Coburn as her successor.

Candidate Renee Godbout is escorted by Bill Forbord through an arc provided by the Minute Maids.

Wanda Coburn, elected by the 1968 sophomore class as Sophomore Sweetheart last spring, occupies her royal throne. Attendants Patty Nelson and Charlotte Hunter were elected as first and second runners-up.

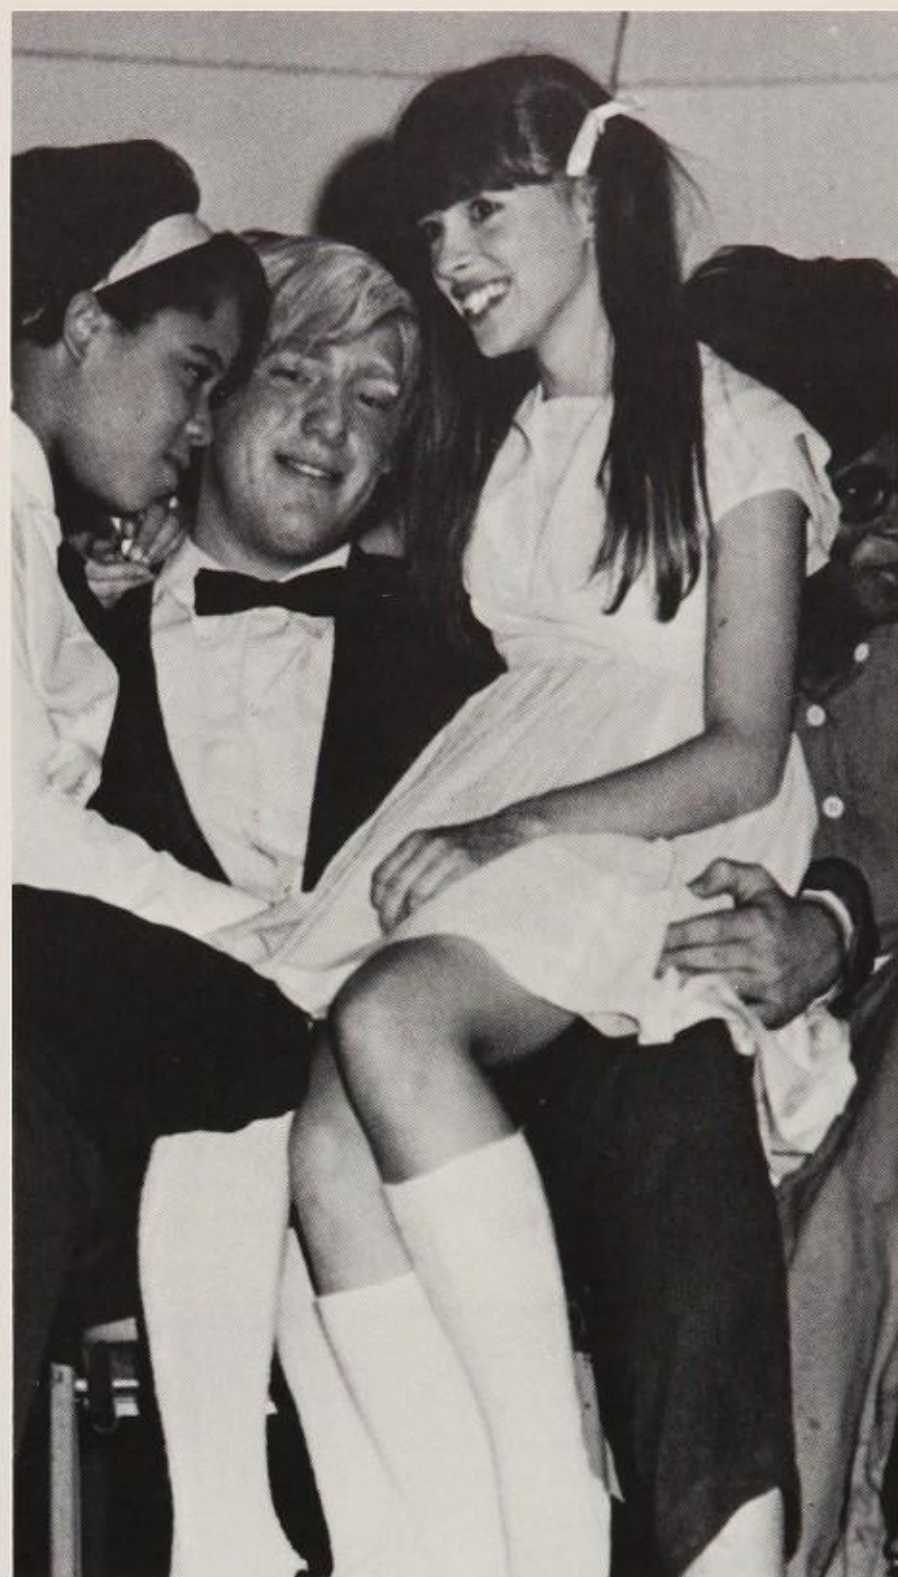

Choir Sings Out On Several Occasions

Central's Choir, directed by Mrs. Severson, was very busy this year. Although the Choir had many assemblies at school such as the "B" Choir's Thanksgiving assembly and the "A" Choir's Christmas assembly, they also made presentations at churches, nursing homes, and hospitals. The president of the "A" Choir was Greg Ritter.

The Ensemble, a branch of the "A" Choir, has a membership of thirteen. This smaller group also sang at many hospitals and nursing homes.

Shon North, Millie Blehert, and Alena Poland, members of the Ensemble, sing during the Thanksgiving assembly.

LaVonne Sheperd and Gail Mike sit on "Grandpa" Steve Owen's lap during the Choir's Thanksgiving assembly.

June Newman, Gail Mike, and Charlotte Hunter ride in the sleigh to join the family for Thanksgiving dinner.

Bill Fillowich and Gordon Robins do a Russian kick dance in the Choir's presentation of "The Nutcracker Suite."

Paulette Willie has makeup applied to her face before the performance of "In White America."

Drama Class Presents Play "In White America"

Under the direction of Mr. David Whitney, "In White America", written by Martin Duberman, was presented last spring. Student directors were Tammy Nau and Judy Helfman. Central's auditorium was packed for all five performances. "In White America" depicts the life of the black man from the time he stepped off the slave ship onto American soil through the year 1954 when Little Rock, Arkansas, passed legislation on school integration. Portraits of individuals throughout the years gave a realistic picture of the black man's struggle to be recognized.

Donna Dena reacts emotionally to the conditions on the slave ships as it is related to her through her husband's letters.

A Quaker woman, Pam Fuller, appeals to a stern congressman, Timm Frye, for human equality.

Tony Carter and David Pettiford are black soldiers who begin to identify themselves with America during the American Revolution.

Bob Dorshow, as President Johnson, listens to Lansing Thompson, a spokesman for rights of the black people.

Kathy Murray, Pam Fuller, Veronique Englebienne, Lynn Applebaum, and Paulette Willie jeer Paula Lamb,

a black girl, and with the help of Gary Schroeder of the National Guard, prevent her from entering their school.

Dennis Dahl is checking his costume and straightening his hat behind the stage before the musical begins.

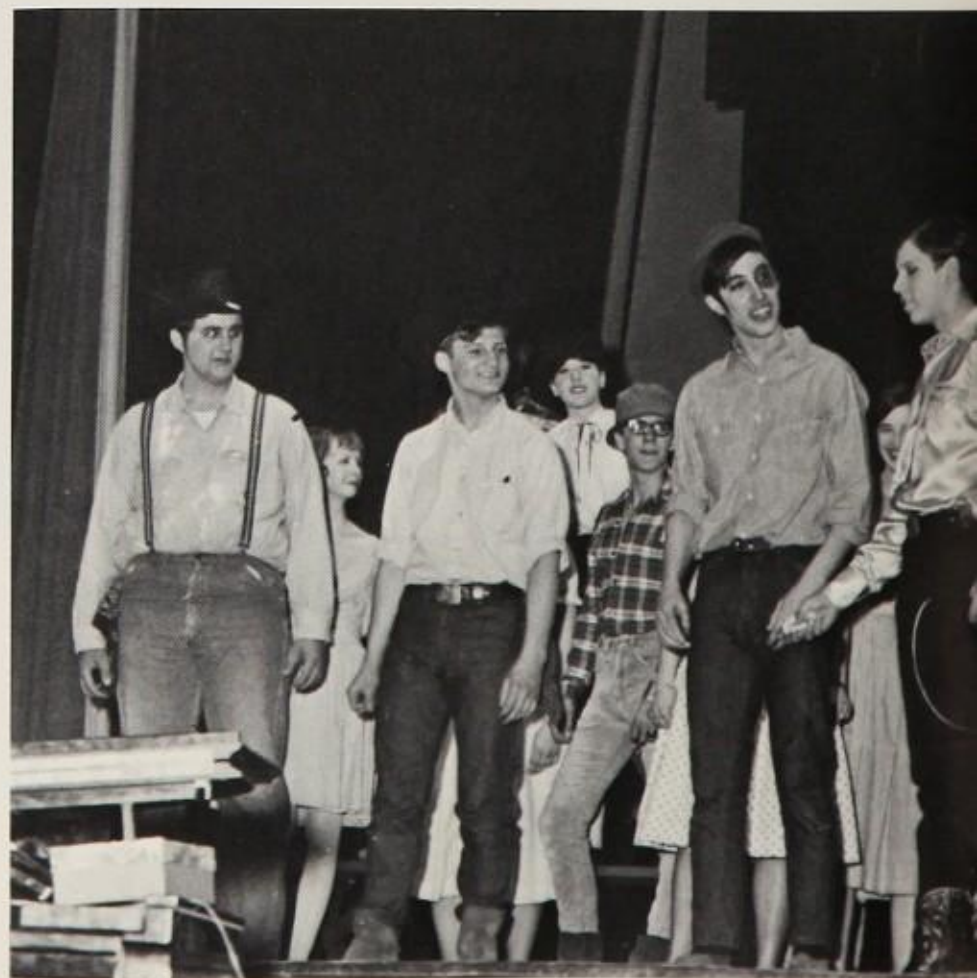

Bill Filliowich as Noah and Richard Bloom as Jimmy eagerly await the arrival of Lizzie, their sister, at the depot.

"110 In The Shade" is Presented by "A" Choir

Mrs. Severson directed her "A" choir in another successful musical in April, 1968 on Central's stage. "110 In The Shade", based on N. Richard Nash's play "The Rainmaker", was student directed by Jackie Nienhaus, while Miss Koch and Tammy Nau worked with choreography. Lead roles were played by Jim Roerig, Galen Carlson, Greg Ritter, Alena Poland, and Shon North.

The entire two-act play took place in a western state one summer day in a time of drought. After several hot, dry days, the townspeople decided to brighten things up with a picnic. During the meal a stranger, Starbuck the Rainmaker, arrived on the scene with the promise of bringing rain for a price. While some people immediately rejoiced, others took him as a fraud. Lizzie Curry, one of the first to dismiss Starbuck as a fake, later fell in love with him. To complicate things, File, the Sheriff, also fell in love with Lizzie, the once plain and unnoticed girl. That evening File decided to arrest the swindler, Starbuck, if he did not leave the state. Starbuck begged Lizzie to leave with him but she finally decided to settle down with File. The story resolved as the people's prayer for rain was answered.

The chorus is singing and providing music for Stephen Winfield and Doris Charpentier to dance to at the bandstand.

The townspeople join with Carl Wynn, Bill Filiowich, Rick Bloom, and Greg Ritter to discuss the rainmaker's proposition.

Carol Weisner as Snookie and Richard Bloom as Jimmy go off from the picnic together for a friendly chat.

Lizzie Curry, played by Alena Poland, falls in love with Sheriff File, played by Greg Ritter.

Kathy Goehle is escorted by Bill Elkema as they prepare to enjoy their "One Night in a Thousand."

Prom's Theme is "One Night in a Thousand"

May 24, 1968, was "One Night in a Thousand" for those who attended the prom. Surrounded by camels and sultans, about one hundred couples danced to the music of the Hot Half Dozen.

Organized by overall chairmen Mary Maguire and Jeff Janisch and adviser Mr. Temple, the prom proved to be a success.

That lovely evening was spent from 8:00 to 12:00 at the A. G. Bush Student Center on the Hamline University campus. Although it rained outside, spirits were not dampened inside, as all who attended had a wonderful time. The one night that filled the couples' hearts with wonderful memories was "One Night in a Thousand."

Russel Balenger and his date look at the Prom Bid and read the romantic legend of the Blue Rose.

Charlie Dinger talks to Rick Maxwell during the dance

as their friends gather around.

Sophomores Judy Schroeder, Peggy Tufte, Patty Nelson, and Penny Salvalano serve punch for the upper-classmen.

Bob Reddie, Pam Baker, Pam Danielson, and Steve Hitchcock enjoy dancing to the "Hot Half Dozen."

Raynee Clark and Leo Myles prepare to preserve memories by getting their picture taken.

Preparation for Homecoming occupies the time of Minute Maids Gail Severson, Sue Perry, Betty Merkel, and Carol Rubbelke.

Victory Marks End of Great Homecoming Week

Senior candidates Denise Chamblee and Ron Nelson approach the stage to take their place with the remaining nominees.

Prime Minister Larry Henry, Attendants Patty Nelson and Lettie Finney, Queen Cindy Lendt, Page Patty Hanson.

"Knight Fall" was the theme for Central High School's 1968 Homecoming Week, October 7-10. Different fun-filled activities made each day enjoyable. The annual Door Decorating Contest began the festivities with homeroom 2A placing first. Tuesday evening more than fifty people attended the Queen's Dinner in honor of our royal candidates at the Arden Inn. Wednesday a new Homecoming idea was initiated. Lockers of the football players were decorated and Nathaniel Galloway's locker was judged best. School spirit was also displayed by everyone wearing our school colors, red and black. The highlight of the week came Thursday when Clyde Thomas and Cindy Lendt were crowned King and Queen at the coronation assembly. Senior Attendants were Jeannine DeZelar and Lettie Finney. Junior Attendants were Patty Crumley and Patty Nelson. A pep assembly was held that afternoon featuring a mock coronation. Presiding over the assembly was Brian Michaels portraying Tiny Tim. David Winfield as Batman and Louise Godfrey as a jungle huntress were chosen King and Queen. That evening our successful game was held at Harding Field. Central watched the Harding Knights fall to defeat with a score of 26-0.

The secret is revealed as Prime Minister Larry Henry picks surprised Cindy Lendt as the 1968 Homecoming Queen.

King Clyde Thomas, Attendants Jeannine DeZelar and Patty Crumley, and Page Linda Rubbelke.

"Frosty Flakes" Activities are Great

Chairmen of Frosty Flakes Day, Kathy Jackson and Steve Prinz, organized a very successful event on January 17. An early pancake breakfast began the day which included a coronation assembly. Excitement filled the auditorium as Pudgy Braddock and Bob Anderson were chosen Queen and King of the 1969 Snow Day. As activities advanced to Como Park at 1:30, Centralites participated in such events as skating, sliding, broomball, and two new events, tug-of-war, and a treasure hunt.

Jeff Roberts, Medcaw Mims, John Swendiman, George Zeimet, and Scooter Watson all participate in the play "The Lottery".

Education Combines With Entertainment

Central High School has presented its students with both educational and entertaining assemblies this past year. Educational assemblies such as NASA and Junior Achievement provide students with various information for their outside activities as well as for their futures. Like thousands of people throughout the centuries, Centralites also must step away from their daily routine and step into some enjoyable entertainment. Assemblies such as Homecoming, Snow Day, choir and band assemblies, and plays given by the drama class provide for this need.

Homecoming page Patty Hansen brings the crown to the newly selected Queen while Linda Rubbelke awaits her next job.

Mr. Larry Larkin from NASA puts on various space science demonstrations of the uses of satellites and space crafts.

Harriers Come Through Season Victoriously

The mighty Harriers did it again with another victorious season, ending the year with a record of four wins and one loss. In the city meet they took an anticipated victory away from Highland with a score of 72 points. The Varsity Track Team also came in second in the Relay Carnival, fifth in both the Carlton meet and the Twin City Indoor meet, and third in the track meet at Ramsey. Without the aid of Fred Price, Andre Fentress, Phil Webb, and Clyde Thomas, the Harriers would not have ended so successfully.

Returning in the spring of 1969 to help the team will be Greg Peake, Gary Vogel, and Bob Littles. These members, along with new members, should make Central's team better than ever.

Congratulations to coaches Hoff and Martin for a very successful season.

Junior Harriers' Season Results are Disappointing

Central's Junior Varsity Track Team completed the 1968 season with a record of one win and two losses. The small, eight member team placed third in the city meet.

The 1969 Senior Varsity Team will inherit Jim Buckner, John Clark, Harold Alle, Ed Dean, Bob Littles, Mark Hermann, and Dan Churchill to add to the team. With the addition of these members, the 1969 Senior Varsity Team should produce outstanding results.

Rackets didn't swing fast enough this season as Central's Tennis Team ended the season with a three win, five loss record, placing them fifth in the city standings. The team consistently improved over the season and finished with outstanding effort. Ed Grinde, Steve Reed, Steve Schweda, and Kurt Buetow will return in 1969 hoping for a better season.

Senior Batsmen Have Frustrating Season

Ending the 1968 season with a record of four wins and four losses, Central's "A" Baseball Team tied for fourth place in the city standings. With the fine pitching ability of Dave and Steve Winfield, the team should have had a better year. Mike Lynch, Ron Woodbury, and Gary Neuchterlien handled the outfield for most of the season very well. The best game of the season was the five to one victory over Highland Park, eliminating them from first place in the city standings. The season left the team with a feeling of wonderment as they couldn't seem to come through as they had hoped to.

Returning for the 1969 season will be Dave Winfield, Ron Anderson, Rich Rangel, Joe Tschida, Ralph Tuttle, and Ron Nelson to hopefully add the special touch to the team.

Junior Batmen Are Sixth in City Play

With a record of two wins and six losses, Central's "B" Baseball Team struggled through a long and frustrating season to place sixth in the city standings.

Greg Janisch, Dennis Mork, and Bill Hansen will return next season to aid the Senior Varsity Team to a brighter and more successful year.

Golfers Have Unbalanced Year

After starting off the season with two losses, Central's Golf Team seemed to make a comeback with two wins, but the season ended with only three wins and five losses.

Coach Mr. Muetzel hopes to have a better team in 1969, but with only the return of Jim Horrisberger and Craig Miller, the boys will have a rough time.

Mighty Minutemen Take First in the City

With a seven win, no loss, and one tie record, who could argue over the number one position? It is quite evident that only one team was threatening our goal. But the Mighty Minutemen were too determined to be Number One, and we ended the Central-Highland game with a tie of 7-7.

Despite our one tie and one nonconference loss, the Minutemen continued to display their overwhelming talent. This was exhibited exceedingly during the Johnson game as Central defeated the undefeated Governors by a score of 13-12.

Five of the Minutemen were selected for the All-City Football Team, representing hard work, outstanding ability, and Central High School. Clyde Thomas, Larry Henry, Phil Webb, Charlie Coleman, and Russ Taylor did a fine job and deserved to be selected. Along with those five members of the All-City Football Team, four other Minutemen were given honorable mention. The members were Bob Littles, Bill Stokes, Ron Brown, and Rich Rangel.

Although the Minutemen will lose some of the finest members of the team, the great ability of others will again be displayed in 1970 for another great season.

Clyde Thomas, a member of the All-City Team, surprises the opposition and obtains a first down for Central.

Junior Team Ties for First in City

The Junior Varsity team ended the season with a six win, one loss record, putting them in first place with Harding.

Coaches Mr. Waschbusch and Mr. Hritzko were proud of the fine results of the team. All of our winning games showed a large margin over the opponent, which indicated that the team had great ability.

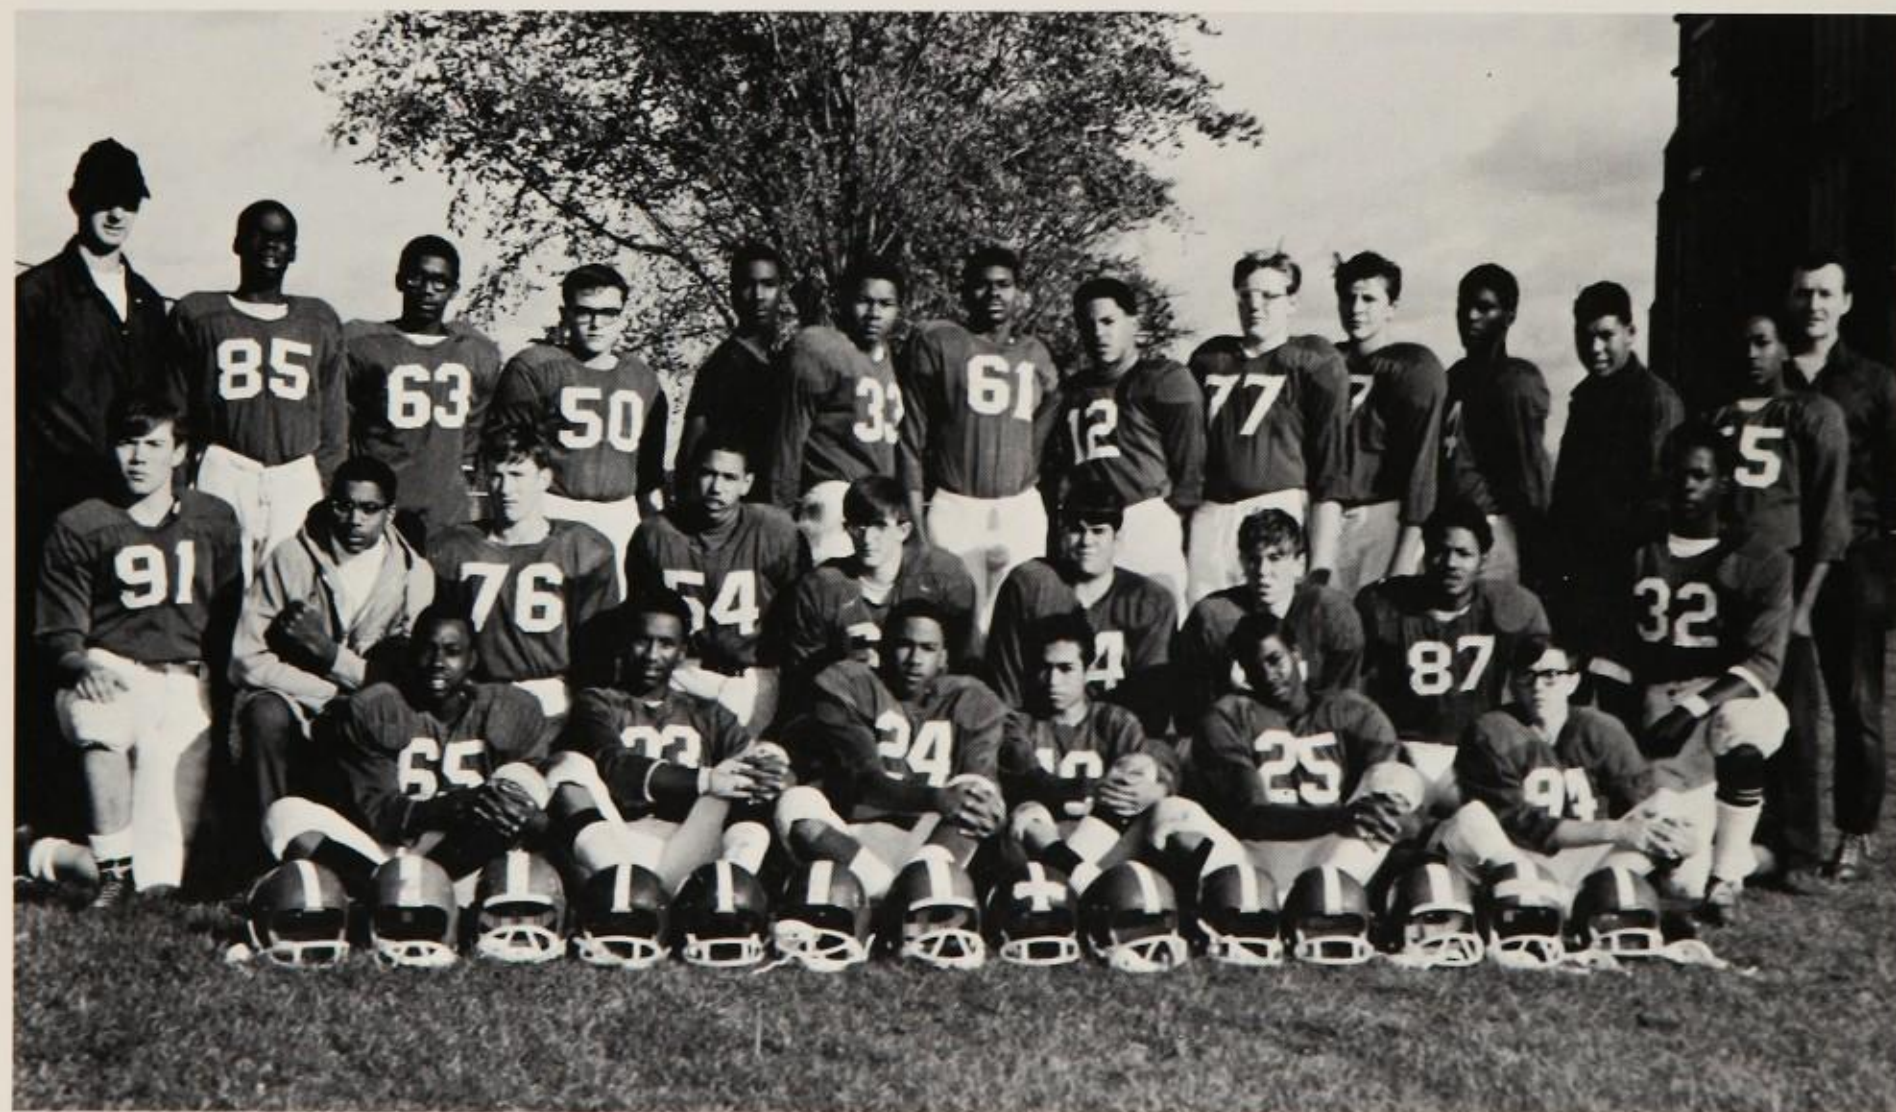

The Senior Varsity team should again be able to come forth with a great season with the addition of the many fine players they will gain. Frank Adams, Pete Hueller, and Earl West should prove to be outstanding members again next season.

Cross Country Team has Disappointing Season

Ending the season with a record of four wins, three losses, and one tie, the Cross Country team placed fourth in the city.

The season did not progress as Coach Mr. Hoff and the team had hoped. John Tworoski did represent Central well in the city final where he finished third.

Harold Alle and John Tworoski are the only two members who will return for the 1970 team. As it looks, the team has some very hard work awaiting them next year.

Central's swimming team had a fairly successful season this year. Although its conference record was a win-3, loss-5, Central captured the "Non-Pool Championship" title. Another highlight was the qualification of Larry Nyman for the state swim meet. Larry was the first Centralite in three years to qualify and is a good future prospect. Justin Mann, Galen Carlson, and Dave Luedtke were other outstanding swimmers of the season.

Central's Wrestling team had a disappointing season, winning only its last match against Washington. There were, however, several individuals who were fairly consistent winners of their matches. Those four, all of whom had wrestling experience, included Bill Hall and Ray Parker, co-captains, Ralph Patterson, and Tim Humphrey. Central hopes to have a better season next year with the help of the members of the team who will be returning as seniors.

Senior Bucketeers Take City, Twin City, And District Titles

Central player Phil Webb dribbles his way past an opponent in a game against Mechanic Arts.

Central's Senior Varsity Basketball team had an extremely good season this year. With a record of seventeen wins and one loss, the bucketeers finished first in the conference. The team pulled itself together after its only defeat to Murray to win everyone of the remaining games. Central fans watched the team progress until its exciting game against Highland when Central gained the number one position in the city.

The next trophy to be earned was the Twin City Championship. In a hard fought game, the Minutemen settled down in the last few minutes and led at the final buzzer, 69-62.

The District 15 play offs were next. After a few uneasy moments, Central settled down and expertly won games with Monroe, Mechanic Arts, and Highland to become the District Champs.

Advancing to the Regional 5 play offs at the University of Minnesota, Central readily conquered St. Peter, 60-43. Three nights later the Minutemen had trouble finding the basket and were defeated by Alexander Ramsey, 71-57. Central completed its season with a record of twenty-two victories and two defeats.

Dave Winfield, Art Carroll, Russ Taylor, Clyde Thomas, and Phil Webb composed the team's first string, and along with the other members of the squad, are to be congratulated for their very fine showing. All-City honors went to Dave Winfield, Russ Taylor, Phil Webb and Art Carroll, who also received All-Metro honors.

Central's "B" Squad Basketball team had a very successful season this year. Although the junior varsity suffered a disadvantage to taller teams, it managed to win twelve games while losing seven. In league play, Central advanced to a tie with Harding for first place only to lose to Harding in the final play-offs.

Eddie Cotton, Jim Ransom, and Dwight Price were assets to the team. They, along with the other players, are hoping for another good season next year with the senior varsity.

Central's Gymnastic team had an excellent record this year, losing only its first meet with Johnson. Good concentrated effort from the small squad made the rest of the season successful. The gymnasts had a sweet revenge as they took the Region Championship by beating Johnson. This was accomplished through good team effort and the outstanding performance of Glenn Taylor, who won five title crowns. Glenn, along with Brian Morris, Kurt Buetow, Ralph Tuttle, and Steve Kolar represented Central in the State Tournament.

Varsity Finishes In Ninth Place

The 1969 hockey team got off to a slow start this season due to the lack of team membership. A great deal of enthusiasm was not shown because of the need for part time jobs. Those that participated did exert a good effort in trying to make the season successful. The most exciting game for both the team and spectators was the play off game between Mechanic Arts and Central that ended in a loss after overtime. The most disappointing game of the season was due to the close score between Highland Park and Central. Ron Anderson contributed the most to the team by playing the most in each game. Next year the team should be aided by Duane Nelson, Walter Engelhardt, Steve Anderson, John Art, Allan Anderson, Jerry Peller, Ken Colaizy, Jim Lockwood, Steve Radke, and Don DeVange.

Steve Anderson watches a hockey match with a look of anticipation as he waits for Central to score.

Mr. Sauer, coach of Central's hockey team, is meditating on the subject of his team's performance.

Rain storms, blizzards, heavy snow storms, and cold weather seemed to work against Central's "B" squad hockey team by leaving little time for practice. Perhaps the weather can also be blamed for the team's unsuccessful season losing 12 games. Though players such as Art John and Dave Kensler put forth much effort, the team never seemed to be quite victorious. Next year Art and Dave, along with Chuck Hunter and Doug Nohner, will become assets to Central's "A" squad hockey team.

Jim Bougie makes an attempt to gain the puck for Central by blocking an opponent.

A yearbook is a history of the school year through pictures. In the CEHISEAN we view different aspects of school life, all of which are important contributions to high school education. We see how each aspect, while standing individually, takes part in building a balanced and more meaningful life for Central's students.

In high school, students begin to set their goals. They begin to work towards the future. The experiences received at Central High School will have an influence on each student's life. The GEHISEAN has shown how each new and different experience will be one block for every student who works at "BUILDING BLOCKS TOWARDS THE FUTURE."
